

SOUTH CAROLINA SOCIETY HALL
WEDDING & EVENTS GUIDE
Historic Charleston

Although we are mostly known for elegant weddings, SC Society Hall is suitable for a wide range of special events including lectures, meetings, luncheons, cocktail parties, baby showers, photo shoots, recitals, graduations, corporate gatherings and more.

HISTORY. ELEGANCE. BEAUTY.

South Carolina Society Hall, designed by Gabriel Manigault and built between 1799-1804, is one of America's most historic buildings and serves as a beautiful and elegant event venue, whether you are planning a wedding or a corporate party or anything in between.

AN OPEN CANVAS

We can connect you with recommended vendors or you can bring in all your own event professionals. Either way, you are guaranteed a unique and special event at the Hall.

We look forward to hearing from you and helping you host the perfect event.

A FEW RULES

The South Carolina Society Hall is a historic, beautiful building in a residential neighborhood. Please respect the building and our neighbors accordingly.

A city ordinance requires all events here to be on the street by midnight, so if you are going that late we ask that you close your bar and stop the music by 11:30 p.m.
